**How to answer?**
Email your answers along with your name and affiliation to:
quiz.ugacs@gmail.com

Keep Subject line as “Answer to ACM-W Quiz #8.”

**Last Week’s Question:**
Marked by a Duke, it was originally known as Oak and then as Green. How do we better know it as, now?

**Answer:**
Java.
Duke is the official Java Mascot. James Gosling, the inventor of Java initially named Java as ‘Oak’ after an oak tree outside his office. It was later named ‘Green’ and finally, as we know it now as now, ‘Java’.

**Here are the people who got it right:**
1) Eric Caspary
2) Aryabarta Basu
3) Xia Qu
4) Wesley McKettrick

If you have questions you would like to be included in the weekly quiz please email them to quiz.ugacs@gmail.com along with its answer. Your contribution will be acknowledged along side the solution to the quiz (i.e. with the next quiz).
